

Operations report

2026-09-01

Included records	Recorded hours	Recorded amount (USD)
15	17.06	\$1,488.70

Source: synthetic-demo.csv

Reconciliation: 20 input records = 15 included + 5 excluded. Totals below use included records only.

Counts, hours and amounts include completed, pending and cancelled records that pass the rules. Amounts are recorded values, not recognized revenue, profit or an invoice.

5 records need review and are excluded. [Download the run audit for every excluded record, source reference and reason.](#)

Location	Records	Hours	Amount (USD)
"Café – West"	5	6.96	\$660.11
"North Hub"	5	5.51	\$385.36
"South Hub"	5	4.59	\$443.23

Labels are quoted literally. Escaped characters such as \n preserve distinct source labels.

This report summarizes one agreed CSV format. It does not infer missing values or business meanings.

"Café – West"

2026-09-01

Included records	Recorded hours	Recorded amount (USD)
